GEN 2 DOUBLE DECKER TACO®

Tactical Gear

BATTLE - PROVEN

The Generation 2 Double Decker TACO® is sleeker, lighter and more versatile than the original. Like the Original Double Decker, the Gen 2 Double Decker holds 1 rifle magazine and 1 pistol magazine, or similarly sized items. Contoured molded sides allow easy insertion of magazines. Integrated shock cord provides adjustable retention. Constructed from laser-cut nylon laminate wrapped over a woven thermoplastic core Gen 2 TACOs weigh almost 20% less than the originals. ½ inch interval MOLLE on the back of the TACO® allows for both MOLLE and belt mounting options. With the addition of an HSG OTR Cover accessory, any Gen 2 TACO® can be set up covered or open-top.

FEATURES

- ◇ Holds 1 rifle magazine, and 1 pistol magazine
- ◇ Same versatile retention as the Original Double Decker TACO®.
- ◇ Constructed from laser cut nylon laminate and woven thermoplastic.
